Are you ready to start a business? Do you have what it takes to start a business? Do you know what it takes to start a business?

This workshop explores what it takes to start a business. It takes you through the personal and professional attributes needed to start a business. Then it looks at what you need to do to start a business, from the idea to business structure and financing.

This workshop is targeted at people considering or in the early stages of starting a business.

SCORE workshops are presented by experienced SCORE instructors with extensive experience and knowledge of the subject matter.
