Understanding and utilizing financial statements is a necessary skill for every business manager; it is especially critical during an economic recession. This workshop will add to your financial skills to allow you to improve the performance of your business.

This workshop is targeted at people who are looking to start or have started a small business, but do not have any financial experience.

SCORE workshops are presented by experienced SCORE instructors with extensive experience and knowledge of the subject matter.

Helping Small Businesses Succeed!

Contact SCORE to find out about free and confidential counseling and about business workshops and seminars.
