

SCORE Racine/Kenosha Workshop

SCORE Workshops

Starting a Business; Readiness Assessment

Are you ready to start a business? Do you have what it takes to start a business? Do you know what it takes to start a business?

This workshop explores what it takes to start a business. It takes you through the personal and professional attributes needed to start a business. Then it looks at what you need to do to start a business, from the idea to business structure and financing.

This workshop is targeted at people considering or in the early stages of starting a business.

Alan Reid of SCORE presents this workshop. Alan has extensive and vast business experience in his career. He has been in public accounting, mining, government contracting, construction Industries. His last position was the CFO of Modine Manufacturing in Racine. His strengths are in the areas of Strategic Planning, Financial Systems and controls, Business Valuations, and Acquisitions. This vast experience lends itself to this important subject.
